Chevron Base Oils | Infineum

Approved first, Ready now

Infineum P6895 | NEXBASE® Group III

**1st official market general
approval against
Stellantis FPW9.55535/03**

- Developed through close collaboration between Infineum and Chevron Base Oils
- Combining additive performance with dependable premium base oil capability

Why Stellantis matters

One of the world's largest automaker

Among the top global vehicle producers by annual volume.

A major, evolving vehicle parc

Spanning new and legacy passenger-car applications across FCA, PSA and Opel/Vauxhall.

A demanding specification

Addressing durability, fuel economy, oxidation protection, engine cleanliness and LSPI.

An OEM-validated route to market

**Demanding
specification**

**Infineum P6895 |
NEXBASE® Grp III**

**Official
approval**

**Customer
confidence**

What this means for oil marketers

01 Fully approved

A complete Stellantis solution – not an interim or work-in-progress claim.

02 Faster to market

Readily deployable formulation built on proven, commercially available components.

03 Confident conversations

OEM alignment and warranty-backed positioning customers can trust.

04 Expert support

Technical data, approval documentation with Infineum and Chevron Base Oils expertise on hand.

05 Dependable supply

Chevron's premium base oil slate and secure network, backed by Infineum's proven supply reliability, enable scalable rollouts.

06 Bigger opportunity

Significant finished-oil potential across new and legacy vehicle applications.

Broader coverage, simpler portfolio

AFTER

Infiniteum P6895 |
NEXBASE® Group III
Stellantis FPW9.55535/03

- Covers Stellantis brands (PSA, FCA, Opel/Vauxhall applications)
- Approved for ACEA C3-23, API SQ and GB11121
- **ONE** product, broader coverage, simpler portfolio

Customer benefit:

ONE approved product that services the Stellantis parc, **reducing complexity and speeding rollout.**

A partnership ready to help you move faster

A proven collaboration - combining Infineum's additive and approval expertise with Chevron's premium base oil leadership.

Infineum brings

- Additive formulation and proven OEM-approval expertise
- Turning demanding specifications into commercially ready, approved solutions
- Technical data, documentation and market-activation support

Chevron Base Oils brings

- Premium base oil leadership at global scale — five world-scale plants
- A global Group II, II+ and III slate for dependable formulations
- Security of supply across plants, hubs and distributor networks
- Upcoming Group III+ for next generation formulations
